Word From The CEO

Did you know that in Africa, businesses lose \$50 billion of their revenue annually due to unrecorded and illicit transactions? Many businesses struggle with a disconnected system between purchasing, requesting, and recording payments. This leads to inefficiencies, delays, and ultimately, lost money.

Tecnovice was founded to solve this problem. We provide a user-friendly software solution that streamlines financial processes. Our system automates recording transactions, minimizes errors, and gives businesses a clear view of their finances.

In just one year, Tecnovice has developed 9 retail softwares for businesses, that has helped to prevent losses by 90% through improved financial tracking. Our vision is to empower businesses across all sectors in Africa with the tools they need to thrive. We believe that strong financial management is the foundation for success, and we're committed to making that a reality for every entrepreneur. At Tecnovice, the client is always at the center of everything we do. We listen to your needs, develop solutions that meet your challenges, and provide ongoing support to ensure your success.

Thank you for choosing Tecnovice, we look forward to help increase your company's growth.

LEKUNZE STANLEY ENOW (C.E.O)

About TECNOVICE Our History

Tecnovice is a tech firm which was established with the aim of providing cutting edge technological solutions to businesses in Cameroon, West and Central Africa.

Key Points

- 👉 Established in 2023 with headquarters in Buea.
- 👉 Offers custom-tailored solutions to address specific needs.
- 👉 Leading provider of software solutions and services.
- 👉 Focused on empowering small and medium-sized businesses through innovative business solutions.
- 👉 Committed to helping SMBs achieve operational excellence and scale their businesses.

OUR VISION

Empowering businesses with seamless POS, Accounting, and ERP software solutions, coupled with cutting-edge digital marketing services and seamless payment integration. Setting the standard for excellence and reliability in the region, we aspire to be the unequivocal leader in driving business success and growth.

OUR MISSION

Tecnovice Technologies is dedicated to propelling businesses across West and Central Africa to new heights by providing them with cutting-edge technological solutions. We strive to empower our clients by fostering sustainable growth, transparency, and operational efficiency, enabling them to thrive in the ever-evolving business landscape.

OUR FOUNDATION

for success rests on three Pillars:

Strategic Partnerships

In today's business environment, achieving success is a collective effort. We believe success depends on building long lasting relationship with our valuable partners.

Strong Corporate Governance

Our corporate policies are designed to ensure there is a balance in the different stakeholders' interest.

Operational Excellence

We are committed to continuous improvement and streamlined processes, maximizing efficiency and effectiveness.

OUR CULTURE & VALUES

Tecnovice functions on the following core values:

TRUST

Building trust is the cornerstone of our business. We strive to earn and maintain the trust of our clients in every byte of service we provide.

SERVICE

Our commitment to service goes beyond transaction; we are dedicated to providing solutions that genuinely benefits our clients.

GRATITUDE

Recognizing and appreciating the contributions of our team, Clients and Partners in our journey to success.

EXCELLENCE

We are dedicated to delivering solutions that exceed expectations, setting high standards for quality and performance.

TRANSPARENCY

Taking responsibility for our actions and ensuring transparency in all our dealings is integral to our ethos.

COLLABORATION

Embracing teamwork and collaboration, both internally and externally to achieve common goals and foster mutual growth.

INNOVATION

Embracing a culture of continuous innovation to stay at the forefront of technological advancements.
